## Deputy Principal's message

### End of Term 3

Term 3 has been a challenging time for everyone as we adjusted from learning face-to-face, to learning from home and returning face-to-face again for the final week. I would like to personally thank and congratulate everyone for their amazing work in supporting the students and staff through this time. Again, the call to arms for our staff to quickly provide learning materials for students was outstanding. The administration staff smoothly organised close to 40 laptops to be loaned to students to do the learning. Parents juggled working from home and assisting their children throughout their learning and they are to be applauded for their assistance.

It was pleasing this week to distribute certificates to students from Years 7 – 12 congratulating them for engaging with the materials. I am looking forward to some normality next term when we return on **Tuesday 5<sup>th</sup> October 2021**, which will be a day 2 on the student timetables. Please have a safe break and please remember to use the QR check-in's at venues. My tip for the AFL is Melbourne to win by 9 points in a close one. Marcus Bontempelli to win the Brownlow and Maxxy Gawn for the Norm Smith.

### Term 4 2021

Next term we will be returning to school on Tuesday 5<sup>th</sup> October 2021, and we will be communicating with parents closer to the date giving an update of what level the school will be delivering learning to students. To keep up to date with the NSW Department of Education levels, please visit <https://education.nsw.gov.au/covid-19/advice-for-families> for the latest advice. It is important that if you do or have changed contact details to please let the school know, so that we can update our records. When we send out an email or sms, if we haven't got the latest contact details, sometimes we cannot reach you.

*Brendan Yu*

**Deputy Principal**

#### **When do I need to send a note to school with my child?**

If they are late to school

If they have been absent

If they need to leave school during the day for an appointment, etc.

If they need an out-of-uniform pass

## TAS Faculty

Adam Peters with his Major Design Project for Industrial Technology Timber.

Fantastic to have the students  
back in class doing what they  
love.
